

# *A Story of the Traveller Universe*

Marc Miller's *AGENT OF THE IMPERIUM* goes boldly into a distant future—offering readers a marvelous blend of star-spanning action, devious imperial intrigue, mystery and mysticism, and the deadly serious ethical and moral challenges inherent in safeguarding an empire of more than 10,000 individual worlds. From start to finish, *AGENT OF THE IMPERIUM* draws us ever deeper into a complex and compelling story filled with fascinating characters and startling plot twists.”

– Patrick Larkin  
author of “The Tribune” and  
co-author of “Red Phoenix” and other best-sellers
